

STATE EMPLOYEE SALARIES JULY PAY PERIOD

The following information has been provided by the Department of Personnel Administration regarding pay warrants for the July 2003 pay period:

All State employees with the exception of Constitutional officers and their direct appointees, legislators, and legislative staff will receive their regular pay warrants for the July pay period.

Constitutional officers and their direct appointees, legislators, and legislative staff will not be paid until there is a budget.

The general salary increase that was scheduled for rank-and-file employees will not be reflected in the July pay warrants. Absent a State budget, the Department of Personnel Administration (DPA) lacks the authority to implement salary increases.

Once a budget is in place, DPA will announce the affect on all employees' salaries.
